I assume responsibility for all transactions made through Online Account Access and MOBILE Banking. Upon receipt of the PIN/PASSWORD from the Credit Union, I will promptly access Online Account Access and will select a new PIN/PASSWORD which will be known only to me. I acknowledge that the PIN/PASSWORD, which I choose, is to be kept personal and confidential. At no time will I reveal or make available, directly or indirectly, the PIN/PASSWORD to any other person.

The PIN/PASSWORD is the property of the Credit Union and is subject to deactivation, restriction, or cancellation at any time for any or no reason, including inactivity. You may cancel all PIN/PASSWORD privileges for yourself by notifying the Credit Union in writing. In any event, you shall remain responsible for payment of any outstanding balances.

I will report, promptly upon discovery, any loss or theft of the PIN/PASSWORD in writing to the IDB Global Federal Credit Union, 1300 New York Avenue, NW, Washington, DC, 20577, or by calling (202) 623-3363. If a PIN/PASSWORD is issued for a joint account, we agree to be jointly and severally liable under the terms of this Agreement. If I am a joint owner I agree that if a transaction(s) by any of my joint owner(s) is made and results in access to the other's asset accounts and/or advances from the other's Instant Credit, each joint owner authorizes the Credit Union to honor such request and agrees to abide by the terms and conditions of the account(s), whether the accounts are in their joint names or in the individual name of any of the joint owners of this account. LIMITS AND CRITERIA

I understand and agree that I cannot exceed the limitations on frequency and dollar amounts of remote deposits that are set forth by IDB GLOBAL FEDERAL CREDIT UNION and that IDB GLOBAL FEDERAL CREDIT UNION may change these limits from time to time without notice.

RDC REQUIREMENTS

Each image must provide all information on the front and back of the original check at the time presented to you by the drawer, including, but not limited to, information about the drawer and the paying bank that is preprinted on the original check, MICR information, signature(s), any required identification written on the front of the original check and any endorsements applied to the back of the original check. The image quality must meet the standards established by the American National Standards Institute, the Board of Governors of the Federal Reserve, and any other regulatory agency, clearing house or association. **Endorsements must be made on the back of the share draft or check within 1½ inches from the top edge, although we may accept endorsements outside this space. Your endorsement must include your signature, account number and “For Mobile Deposit ONLY”, “For Electronic Deposit Only” or “For Remote Deposit Only”. A check mark on the box “For Mobile Deposit Only” is also accepted. Any loss we incur from a delay or processing error resulting from an irregular endorsement or other markings by you will be your responsibility. For any claim, you are required to retain the original check until the deposit is cleared.**

A check payable to two payees must be endorsed by both payees. If the check is payable to you OR your joint owner, either of you can endorse it. If the check is made payable to you and your joint owner, both of you must endorse the check. Additional requirements are:

1. IDB GLOBAL FEDERAL CREDIT UNION allows you to make check deposits to your IDB GLOBAL FEDERAL CREDIT UNION savings (share) or checking (share draft) from remote locations by scanning both sides of checks and delivering the check images and associated deposit information to IDB GLOBAL FEDERAL CREDIT UNION.
2. IDB GLOBAL FCU is not responsible for any technical difficulties you experience attempting to use RDC. To use IDB Global FCU's RDC service, you must have an Android or Apple mobile device. For RDC an Apple and Android devices, the device should be on the latest operating system version available but we support the last 2 major software versions. For Androids, the minimum pixel resolution is a width of 1600 for camera specifications. The application supports a minimum of 1600 pixel width to have enough resolution for proper check image detail extraction. This approximately equates to a camera with a 3.3 MP range depending on the height/width specifications. Also, the Apps on Apple and Android devices require a minimum of 512 MB RAM available on the device to complete transaction. Although some phones may have the minimum requirements, they may have Apps running in the background that would decrease this availability of RAM. Ensure your device is not running Apps such as Facebook, Instagram, or Twitter in the background as this could affect the amount of RAM available on the device at a time when they're trying to complete a remote deposit. We recommend they close out those apps, or hard reboot the device and try again if they do meet the requirements listed here.
3. When you make a successful RDC deposit, you will be notified by an email message. You agree that once you have received confirmation that we have successfully processed your RDC deposit, you will clearly mark "void" or shred or otherwise destroy the original of the item you deposited to avoid its being deposited again. You agree to defend, indemnify and hold IDB

GLOBAL FEDERAL CREDIT UNION and any IDB GLOBAL FEDERAL CREDIT UNION third party service provider from any claims, damages, losses, liability or expenses to which we or our service provider may become subject as a result of an item you deposited via RDC being presented for duplicate payment. Only the following items are eligible for RDC deposit: checks drawn on U.S. financial institutions in U.S. dollars, or checks drawn on United States Treasury, or checks drawn on any state or local government of the United States. Checks must be payable to you and endorsed by you with the restrictive legend, "For RDC," account number and your signature. We may terminate or change the terms of RDC service at any time, including but not limited to the categories of checks we will accept for deposit via RDC or endorsement requirements, with or without notice to you. We may, at our sole discretion, refuse to accept any item presented for deposit via RDC. We will notify you via the method agreed with you if we do this. We will have no liability to you for declining to accept items presented for deposit via RDC.

4. Funds from any check deposited via RDC will be available to you after final collection from the institution on which it is drawn. For funds availability, please refer to the IDB GLOBAL FEDERAL CREDIT UNION EFT disclosure available from within Online Account Access at www.idbglobalfcu.org.

Following receipt, we may process the image by preparing a “substitute check” or clearing the item as an image.

We reserve the right, at our sole and absolute discretion, to reject any image for remote deposit into your account. We will notify you of rejected images.

You will reimburse us for all loss, cost, damage or expense caused by or relating to the processing of the returned item. Without our approval, you shall not attempt to deposit or otherwise negotiate an original check if it has been charged back to you.

We may debit any of your accounts to obtain payment for any item that has been rejected or returned, for any adjustment related to such item or for any warranty claim related to such item, whether or not the rejection, return, adjustment or warranty claim was made timely.

YOUR WARRANTIES

DEBIT REWARDS OFFERS

If you decide you wish to participate in the Debit Rewards Offers application, you acknowledge and agree to the following terms and conditions of service.

Debit Rewards. You will earn rewards for your participation in the Debit Rewards Offers program based on total purchases. If you participate in the Debit Rewards Offers, we will credit all cash or point rewards earned to your rewards balance and send you a lump sum of all rewards due to you. For any qualifying purchases during the current month, we will distribute the lump sum amount to you during the following calendar month. For example, if the payment date of all rewards end user disbursements is August 30, the applicable Measurement Period would be the calendar month ended July 31. Cash rewards will be deposited in the Debit Rewards Offers deposit account which is associated with the Debit Rewards Offers program.

Debit Rewards Offers Account. You must use the debit card associated with the Debit Rewards Offers account in order to receive the offers which qualify for the rewards. Rewards will not be earned for any portion of your purchase that you pay for with store credit, gift certificates or other payment types.

Purchases must be made as indicated in the offers made available under the Debit Rewards Offers program. Each offer will specify whether the purchase can be made online, at a store location, or by telephone to be eligible for rewards. You must also comply with any guidelines included with the offer, such as offer expiration dates, minimum purchase amounts, purchase limits, etc. You must also pay using the debit card associated with the account that received the Debit Rewards offer in order for the purchase to qualify.

While we and the merchants work hard to properly track and credit all eligible purchases, there may be times that we are unable to do so because of problems with your internet browser, the merchant's web site or our system. Please contact our support team if you believe you have made a qualifying purchase for which you did not receive Rewards.

Please note that you will not earn rewards as part of this program if you use a debit card not issued by us or do not have the designated deposit account opened with us at the time of disbursement.

You understand and agree that we make no warranties and have no liability as to:

- Any offers, commitments, promotions, money back, or other incentives offered by any of the merchants in the Debit Rewards Offers program.
- The rewards information that we provide to you, which is provided "as is" and "as available".
- (i) your inability to comply with offer guidelines, (ii) the accuracy, timeliness, loss or corruption, or mis-delivery, of any qualifying purchase information or any other information, (iii) unauthorized access to your account(s) or to your account information and any misappropriation, or alteration, of your account information or data, to the extent that the unauthorized access results from your acts or omissions, or (iv) your inability to access your account(s) including, but not limited to, failure of electronic or mechanical equipment,

interconnect problems with telephone providers or internet service providers, acts of God, strikes, or other labor problems.

- Some states do not allow limitations on how long an implied warranty lasts, so that the above limitations may not apply to you, and that you may also have other rights, which vary from state to state.

4. AUTOMATIC DOMESTIC WIRE TRANSFER

ACCEPTANCE OF TERMS AND CONDITIONS

This Wire Transfer Agreement between IDB Global Federal Credit Union ("Credit Union") and Member and its authorized agents (hereafter "Member" or "Originator") governs the origination and receipt of wire transfers on behalf of the Member. This Wire Transfer Agreement and the applicable Membership and Account Agreement shall apply to each funds transfer as defined in Article 4A of the Uniform Commercial Code ("UCC Article 4A") and as covered by Regulation J of the Board of Governors of the Federal Reserve System ("Regulation J").

UCC Article 4A and Regulation J establish a comprehensive legal framework covering the duties, responsibilities and liabilities of all parties involved in a funds transfer. Using the Credit Union to send or receive wire transfers shall constitute acceptance of this agreement

THE ORIGINATOR

The originator is the member that request a wire transfer in person or within their online banking access.

AUTHENTICATING WIRES/SECURITY PROCEDURES

The Credit Union may need to suspend processing of a transaction for greater scrutiny or verification in accordance with applicable law. This action may affect settlement or availability of the transaction. All fund transfers requested to, and initiated by, the Credit Union will be screened for compliance as part of the Government Sanctions program and related regulation requirements. Certain transactions may be rejected/blocked, funds held and reported, as required by applicable law.

The Credit Union may authenticate the wire request by verifying the originator's identity via multi-factor authentication such as phone call, text message, external application, and/or a callback procedure by the Credit Union. Any owner of the account can complete the call-back verification process. The Credit Union has the right to cancel any wire if they are unable to contact an account owner within two business days. The Credit Union reserves the right to change its security procedures from time to time.

CONTACT INFORMATION

The originator agrees to keep their contact information on file with the Credit Union current, including but not limited to email address, residential address, and phone number and to notify the Credit Union immediately of any change.

CUTOFF TIME

The cut off time to receive wire transfer applications is 3:00 PM on a business day. Business days are Monday – Friday (not including holidays). Any wire transfer request submitted after the cut off time or on Saturday, Sunday, or a holiday, will be processed on the following business day. The cut off time to cancel a wire transfer request is 10 minutes after submission.

Cut off times may apply to the receipt, execution and processing of fund transfers, payment orders, cancellations, and amendments.

INBOUND WIRE INSTRUCTIONS

If you are receiving a wire transfer to your IDB Global Federal Credit Union account from a different financial institution, you must provide the originating financial institution with your name, account number, and our ABA routing number: 254074183.

By submitting wire transfer applications or incoming wires, you are agreeing to the terms and conditions of this agreement. The Credit Union may amend the terms and conditions of this agreement in the Credit Union's sole discretion at any time.

RECEIVING OUTBOUND WIRE REQUESTS

The Credit Union may only receive outbound wire request via a member's online banking account or in-person at the branch. Only in extreme circumstances may the Credit Union accept outbound wire requests via email or fax. The Credit Union may only process wire requests if the originator the wire is an owner of the account, and is 18 years old or older, or has power of attorney over the account.

The Credit Union performs wire transfers as a service to its members. Delays, losses or other occurrences that result from the receiving financial institution's policies and procedures are beyond the Credit Union's control. Therefore, the Credit Union is not responsible for providing resolution to issues caused by the receiving financial institution. The originator is responsible for researching the fees, procedures, and policies of the receiving financial institution prior to requesting a wire transfer.

RECURRING WIRES & FUTURE PAYMENTS

Recurring wires that exceed our verification threshold amount will apply to the same authentication process described under Authenticating Wires/Security Procedures. The originator is responsible for confirming each recurring transaction upon Credit Union contact. The Credit Union has the right to cancel any wire if they are unable to contact an account owner within two business days.

FEES

Fees for all wire transfers may be assessed per the Credit Union's Schedule of Fees. The Credit Union has the authority to change wire fees at any point without prior knowledge.

The beneficiary may receive less due to fees charged by the beneficiary's financial institution and foreign taxes. It is the responsibility of the originator to confirm any fees by the beneficiary financial institution prior to the wire being processed. The Credit Union is not responsible for any fees charged by the beneficiary's financial institution.

LIMITED LIABILITY

It is the responsibility of the originator to ensure the information on the wire application is accurate and valid before submission. The Credit Union will rely on the identifying numbers of the beneficiary or receiving financial institution provided on the wire application.

The originator will be liable for the wire in accordance with the terms of their request. This means the originator is responsible for any loss or expenses incurred by the Credit Union, the receiving financial institution or any third parties, if the information provided in the wire application is incorrect.

ACCOUNTS WITH INSUFFICIENT FUNDS

The Credit Union will debit the originator's account for the amount requested on the wire application and for any fees related to the wire transfer. The Credit Union is not responsible for transferring funds between accounts if the debit account indicated on the wire application has

insufficient funds. The Credit Union reserves the right to cancel or hold the wire request in this event.

CANCELLATION REQUESTS

Any request that we accept to amend or cancel an outgoing wire transfer will be processed within a reasonable time after it is received. The originator agrees to hold the Credit Union harmless from and indemnify the Credit Union for all losses and expenses resulting from any actual or attempted amendment or cancellation of the wire transfer.

If the wire transfer has already been processed by the Credit Union or credited into the recipient's account, the Credit Union can submit a reversal request to the payee's financial institution and attempt to retrieve the funds; however, there is no guarantee that the funds will be returned.

The Credit Union does not have control over the receiving financial institution's willingness or timeliness to comply with a wire request. The originator will not be reimbursed for the wire transfer fee after the wire is processed.

RECALL

The originator may request a recall within 30 days of the wire being processed. The Credit Union is not responsible for the receiving financial institution's willingness or timeliness to comply with the wire request. The receiving financial institution may charge a fee for the recall request. The Credit Union is not held responsible for fees applied by the receiving financial institution.

WIRE REJECTIONS

The Credit Union may reject wire transfers at its own discretion. Rejection of a wire application is effective upon email notification. Notice of rejection indicates that the Credit Union is not going to process the outgoing wire transfer or is rejecting the incoming wire transfer.

RETURNS

The receiving financial institution may return the wire for any reason. Any wires returned to the Credit Union will be promptly credited back to the member's account. However, due to fees imposed by the receiving financial institution, the credited amount may be different than the original wire amount. Once the funds have been reimbursed, the Credit Union will send an email to the member to confirm the return of the funds. The Credit Union will not reimburse the wire processing fee for wire returns.

COMMUNICATIONS

The member agrees that the Credit Union may provide all communications related to online wire transfer requests in electronic format. All communications in electronic format from the Credit Union will be considered "in writing." The member should print or download a copy of this Agreement and Disclosure form and any other written communication from the Credit Union. All communications that the Credit Union provides to the member in electronic format will be provided either (1.) via email or (2.) by access to online banking. The Credit Union will not send a paper copy of any Communication, unless a member requests it, or the Credit Union otherwise deems it appropriate to do so. Members can obtain a paper copy of an electronic communication by printing it themselves or by requesting that the Credit Union mails them a paper copy, provided that such request is made within a reasonable time after the Credit Union first provided the electronic communication to the member. Members may withdraw their consent to receive communications in electronic form by sending an email to creditunion@idbglobalfcu.org at any time via member account secure email or in person. No fees will be imposed to process the withdrawal of consent to receive electronic communications; however, access and use of the international online wire transfer service will be terminated. Any withdrawal of consent to receive electronic

communications will be effective only after the Credit Union has a reasonable period of time to process a withdrawal, including direct contact with the member.

By agreeing to receive all wire transfer disclosures and/or receipts electronically, the member consents to receive all communications regarding online wire transfers electronically. They further agree that their computer satisfies the necessary hardware and software requirements and that they have provided the Credit Union with a current email address at which the Credit Union may send electronic communications to the member.

MISCELLANEOUS

The Credit Union is not liable for errors, delays, interruptions, or transmission failures caused by third parties or circumstances beyond its control, including mechanical, electronic, or equipment failure.

The Credit Union may refuse any request to amend or cancel a payment order believed to expose the Credit Union to liability or loss.

5. FUNDS AVAILABILITY POLICY DISCLOSURE

This disclosure contains information about terms, fees, and dividend rates for some of the accounts we offer.

FUNDS AVAILABILITY POLICY DISCLOSURE

YOUR ABILITY TO WITHDRAW FUNDS AT IDB GLOBAL FEDERAL CREDIT UNION

Our policy is to delay the availability of funds from your cash and check deposits. During the delay, you may not withdraw the funds in cash and we will not use the funds to pay checks that you have written.

DETERMINING THE AVAILABILITY OF A DEPOSIT

The length of the delay is counted in business days from the day of your deposit. Every day is a business day, except Saturdays, Sundays, and federal holidays. If you make a deposit before 3:30 PM on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit after 3:30 PM or on a day we are not open, we will consider that the deposit was made on the next business day we are open. The length of the delay varies depending on the type of deposit and is explained below.

SAME-DAY AVAILABILITY

Funds from electronic direct deposits will be available on the day we receive the deposit.

NEXT-DAY AVAILABILITY

Funds from the following deposits are available on the first business day after the day we receive your deposit:

- U.S. Treasury checks that are payable to you.
- Wire transfers.
- Checks drawn on IDB Global Federal Credit Union.

If you make the deposit in person to one of our employees, funds from the following deposits are also available on the first business day after the day we receive your deposit:

- Cash.
- State and local government checks that are payable to you.
- Cashier's, certified, and teller's checks that are payable to you.
- Federal Reserve Bank checks, Federal Home Loan Bank checks, and postal money orders, if these items are payable to you.

If you do not make your deposit in person to one of our employees (for example, if you mail the deposit), funds from these deposits will be available on the second business day after the day we receive your deposit.

AVAILABILITY OF OTHER CHECK DEPOSITS

The first \$2,500.00 from a deposit of checks that do not trigger next-day availability will be available on the first business day after the day of your deposit. The remaining funds will be available on the 2nd business day after the day of your deposit.

LONGER DELAYS MAY APPLY

We may delay your ability to withdraw funds deposited by check into your account an additional number of days for these reasons:

- You deposit checks totaling more than \$5,525.00 on any one day.
- You redeposit a check that has been returned unpaid.
- You have overdrawn your account repeatedly in the last six months.
- We believe a check you deposit will not be paid.
- There is an emergency, such as failure of computer or communications equipment.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available.

They will generally be available no later than the seventh business day after the day of your deposit.

HOLDS ON OTHER FUNDS

If we cash a check for you that is drawn on another financial institution, we may withhold the availability of a corresponding amount of funds that are already in your account. Those funds will be available at the time funds from the check we cashed would have been available if you had deposited it. If we accept for deposit a check that is drawn on another financial institution, we may make funds from the deposit available for withdrawal immediately but delay your availability to withdraw a corresponding amount of funds that you have on deposit in another account with us. The funds in the other account would then not be available for withdrawal until the time periods that are described elsewhere in this disclosure for the type of check that you deposited.

DIVIDENDS PAYMENT POLICY

You begin earning dividends on the deposit (whether it was a deposit of cash or checks) as of the day we receive the deposit.

DEPOSITS AT ATMS

Funds from any deposits (cash or checks) made at automated teller machines (ATMs) we do not own or operate will not be available until the second business day after the date of your deposit.

This rule does not apply at ATMs that we own or operate. All ATMs that we own or operate are identified as our machines. If you make a deposit to an ATM that we own or operate before 3:30 PM on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit to an ATM that we own or operate after 3:30 PM or on a day we are not open, we will consider that the deposit was made on the next business day we are open.
