Call Center Associate
IDB Global FCU Member Service Back Office Department
Job Description
Full-time position
Reports to Business Development & MS Back-Office Operations Manager
Location: HQs

Objective
The Call Center Member Service Representative is responsible for answering incoming calls and conducting outgoing calls regarding member accounts, transactions, and automated services using a consultative approach to assist members and uncover needs that lead to the cross selling of IDB Global FCU services.

Key responsibilities include, but are not limited to:

- Handles all incoming calls in a timely manner
- Responds to member inquiries professionally by providing thorough and accurate information
- Processes member requests and resolve their issues utilizing the applications that you are given access to
- Conducts research to fully understand the cause of members’ issues and provide a solution
- Identifies cross-selling opportunities and provide the necessary information so members can apply for CU products and services
- Connects members with the appropriate credit union representative when necessary
- Conducts outgoing and follow up calls to address missed incoming calls
- Retrieves department voice mail messages and conducts a follow up call to address the reason of the call
- Keeps up with IDB Global FCU’s product offerings, campaigns, events, procedures, and policies
- Educates members on the benefits and features of IDB Global FCU products and services and communicate current marketing promotions and events
- Reaches and maintains target goals for individual and group performance and customer service satisfaction set by management
