REGULAR 06 MONTH CERTIFICATE

Rate Information: This Account is a dividend bearing account. The prospective dividend rate on the account is 1.00% with an annual percentage yield of 1.00%.

The dividend rate and annual percentage yield will not change for the term of the account. The dividend rate will be in effect for 6 months. Dividends begin to accrue on the business day you deposit noncash items (for example, checks). Dividends will be compounded monthly and will be credited monthly. We will mail the dividends in a share draft to you or deposit the dividends in an account that you designate. The annual percentage yield assumes dividends will remain on deposit until maturity. A withdrawal will reduce earnings.

Balance Information: We use the daily balance method to calculate the dividends on the account. This method applies a daily periodic rate to the principal in the account each day. You must maintain a minimum balance of \$2,500.00 in the account each day to obtain the disclosed annual percentage yield.

Limitations: You must deposit \$2,500.00 to open this account. You may not make additional deposits into this account. You may not deposit more than \$99,999.00 to this account. You may not make withdrawals from your account until the maturity date.

Time Account Information: Your account will mature in 6 months. If you withdraw any of the principal before the maturity date, we may impose a penalty of 90 days dividends on the amount withdrawn. You may obtain the account with or without an automatic renewal feature. You must tell us which kind of account you want before the account is opened. If you select your account to automatically renew, your account will automatically renew at maturity. You will have 10 days after the maturity date to withdraw funds without penalty. If you do not withdraw the funds, each renewal term will be for an identical period of time as the original term. If you do not select the automatic renewal option, the account will not renew at maturity. If you do not renew the account, your funds will be transferred to the account indicated at the time this certificate was opened.

Balance Information: We use the daily balance method to calculate the dividends on the account. This method applies a daily periodic rate to the principal in the account each day. You must maintain a minimum balance of \$250.00 in the account each day to obtain the disclosed annual percentage yield.

Limitations: You must deposit \$250.00 to open this account. You may not make additional deposits into this account. You may not deposit more than \$99,999.00 to this account. You may not make withdrawals from your account until the maturity date.

Time Account Information: Your account will mature in 48 months. If you withdraw any of the principal before the maturity date, we may impose a penalty of 180 days dividends on the amount withdrawn. You may obtain the account with or without an automatic renewal feature. You must tell us which kind of account you want before the account is opened. If you select your account to automatically renew, your account will automatically renew at maturity. You will have 10 days after the maturity date to withdraw funds without penalty. If you do not withdraw the funds, each renewal term will be for an identical period of time as the original term. If you do not select the automatic renewal option, the account will not renew at maturity. If you do not renew the account, your funds will be transferred to the account indicated at the time this certificate was opened.
